THESIS/ DISSERTATION AGREEMENT LETTER

We have discussed and are willing to follow the accepted procedures of the department:

1. the student has developed a three page (exclusive of references) concept paper that is consistent with the intellectual rigor of the field and based on a thorough review of the scientifice research literature.
2. the student agrees to follow all instructions of the advisor and the committee.
3. the student agrees to follow all guidelines from the graduate school for format and submission of the thesis/ dissertation.
4. the student is responsible for all literature review, data acquisition, and data analysis under the guidance of the advisor and the committee.
5. the advisor agrees to review the written material on an agreed upon schedule and respond to the student.

We declare that this agreement is in effect unless there is a formal petition to the Graduate Faculty of the department.
