Report on Feedback Analysis 2018-2019

Students feedback:

Feedback was sorted and the opinion obtained for each parameter is represented as percentage. Average rating of Overall Percentage was also computed for each academic session. Parameters considered for analysis are Facilities provided, Academics, Sports and Infrastructure. Based on the analysis it was identified that 80% of the students were satisfied with the infrastructure and facilities provided by the college. 20% of the students suggested for improvement. 90% of the students are satisfied in the area of academics. The suggestions were presented to the management for taking appropriate actions.

Employers Feedback:

Feedback collected from employers suggested to improve communicative skills, to give rigorous training to build-up the students self confidence, to mould their personality for attending an interview.

Alumni Feedback:

It is inferred that the alumni are proud to be associated with the alumni association and most of the students are willing to contribute towards the development of college, they conveyed their interest for being a part of the Placement Activities.

Parents Feedback:

Overall average of the parent's feedback was excellent about 67% on academic and non-academic facilities.24% felt very good, and 9% reported it as poor. Security and discipline of the college campus was also highly commended by most of the parents. Parents also rated academic atmosphere very high 52% and most parents found college infrastructure adequate and rated it

very good. However some also reported the infra structure to be inadequate. We value feedback and treat it with highest respect, courtesy, value and confidentiality.
