Vaccines for Children (VFC) Program

Daily Usage Log (Pediatric)

Date:

Ordering Period: __/__/__ to __/__/__

Instructions: Keep this log near your vaccines. Fill in today's date and patient info then make a check for each vaccine administered. At the end of the day, write the number of vaccines administered under Daily Total. Before ordering vaccines, add up the daily totals since the previous order and record under Order Period Total. File all usage logs for three years.
