CarbWorks Packing Slip

for the Suzuki VL1500 Intruder 1998-2004

Thank you for your interest in our **CarbWorks Services by GMan Industries, Ltd.**

We will make every effort to make your carb experience a good one!

Directions for removal and reinstallation of your carbs are on our website at:
http://gmanindustries.com/images/PerformanceProducts/CarbRejettingProcedure.pdf

After removing your carbs turn them upside down to drain out excess fuel. Place carbs in a zip-lock bag. Wrap the sealed carbs with bubble wrap or wadded newspaper protecting them leaving no room for movement during shipment. BE CAREFUL TO NOT BEND THE IDLE SPEED ADJUSTER!

Include a copy of this Packing Slip with your carbs to insure tuning accuracy:
