From the Principal - Donna Muir

Hi Families,

The holidays have arrived and well deserving you all are of them! Thanks for your support of our school community over the past term and we look forward to seeing you back after the holidays feeling refreshed and ready for the final term of the year.

It was Family Week this week and I asked a few students about what that means to them in their house. Some children said they get to play games with Mum or Dad, they went for a special treat at the corner shop or they had camp out in the family lounge room. Whatever Family Week means to your family is what makes it important to your little ones. As you are aware, our school often refers to Michael Grose (parenting expert) for tips or advice on families and ways the school can support you. This article is about **"HOW TO TURN REQUESTS INTO PROBLEMS FOR KIDS TO SOLVE?"**

When parents solve all children's problems we not only increase their dependency on adults but we teach them to be afraid of making mistakes. That's fertile ground for anxiousness and perfectionism, which often go hand in hand.

Kids get used to bringing their problems to parents to solve.

Of course, if you keep solving them, they'll keep bringing them. "Mum, my sister is annoying me?" "Dad, can you ask my teacher to pick me for the team?" "Hey, I can't find my socks!"

It's tempting if you are in a time-poor family to simply jump in and help kids out.

Alternatively, you can take a problem-solving approach, cueing them to resolve their own problems and take responsibility for their concerns. "What can you do to make her stop annoying you?" "What's the best approach to take with your teacher?" "Socks, smocks! Where might they be?"

Here are 5 questions you can ask kids to encourage them to resolve their own problems:

1. **"Can you solve this yourself?"**
Get kids thinking they can do it.
2. **"What do you think needs to happen?"**
Start kids thinking about solving problems.
3. **"What's the first step?"**
Sometimes just getting kids started is enough to get them working out issues themselves.
4. **"How would you like me to help?"**
Get kids considering the type of assistance they need.
5. **"What's the best way to do this?"**
Get kids assessing and prioritising.

From the Principal - continued

Problem-solving is one of the four major skills (optimism, social skills & independence, being the others) that resilient kids share, yet it's the one that many of us aren't equipped to develop. Start by stepping back and asking good questions when kids bring you their problems to solve.

HAVE A WONDERFUL HOLIDAY!

A Prayer for Stronger Communities, Safer Children

We ask you God to strengthen and guide all in our Catholic communities.

Grant us wisdom in our time to make decisions that protect children and the vulnerable.

May our families and communities, through love, generosity, commitment and patience build stronger communities safe for children.

Last week was National Child Protection Week

Cathedral Carnival Display: Sincere thanks to Danielle Andrews for doing such a fabulous job with coordinating the SSPS floral display in the cathedral. Thanks too, to Nickie Peterson (Christian's Mum) for sharing her floristry talents with us. The display is open to the public from today until Wednesday next week and is really worth a visit.

All the best for a restful and relaxing 2 week school holiday!

FUN DAY

Our Vegetable Garden is thriving!!!
Our keen gardeners are pictured with their proud produce.

We love the enthusiasm our children are showing with the vegetable garden.
Let's hope all this rain brings a lot more exciting produce for us to share.

General Notices

TREE VOUCHERS:

We would like to ask if anyone is not using their Free Tree Vouchers from Toowoomba Regional Council to drop them off to the office. Thank you.

TERM 3:

Term 3 concludes tomorrow and will resume on Tuesday 4 October.

SUMMER UNIFORM:

Full summer uniform will be introduced next term.

Please ensure over the holidays that you have the correct summer uniform for your daughter/son.

THANKYOU!!!

On behalf of Mrs Daniells, Mrs McVeigh and Mrs Spalding, thank you to those parents who have kindly offered to help out with jobs for our upcoming Fun Day. Several jobs will be sent home before the holidays to be done, but a lot will go home prior to Fun Day commencing (e.g: ironing of costumes) next term.

SCHOOL FEES:

All outstanding school fees are now due! Letters will be sent home to those families who have outstanding school fees.

YEAR 2 EXCURSION:

On Tuesday Year 2C and 2G ventured to Picnic Point to do a field sketch of Table Top Mountain. This ties in with Geography where the children learn about their local area. We had to postpone the trip for about an hour due to fog but at 10:00 am, we were rewarded with a lovely, sunny morning. Many thanks to our wonderful parents who met us at Picnic Point and to Mr Darvall who spoke to the children the day before. With his knowledge as a geologist, Mr Darvall gave them a very informative talk about how Table Top Mountain was formed.

YEAR 4 GALA DAY

What a great day our Year 4 children had on Tuesday at the Gala Touch Football Day. Our children were amazing and showed a great display of sportsmanship and should be congratulated on their behaviour. Special thanks to Mrs Harkins, Mrs Harlen, Mrs O'Dempsey, Mrs Robinson, Miss Thompson, Mrs Murphy and our 4 work experience students, Maddy, Kirsten, Abby and David who helped on the day.

UNDER 8'S MORNING

What a fun morning we had this morning celebrating our beautiful Under 8's. The children spent time doing various activities from paper plane making, chalk drawing, obstacle courses, skipping and board games.

Thank you to our teachers from Prep - 2 who helped organise the morning.

LIGHTS....CAMERA.....ACTION

What an exciting day yesterday was for our school choir and school community. Earlier this year, our school choir was asked to be part of the "Small Town Culture" series that singer songwriter Josh Arnold and Toowoomba Regional Council have launched to promote diversity and culture amongst our schools in Toowoomba and surrounds. Josh spent the day filming and taking photos in preparation for our school's part in the series. Thanks to our wonderful teachers Mrs McVeigh and Mrs Spalding who have spent a large amount of time working with our children and preparing them for this day. We can't wait to see the end result!

HOW MUCH FUN DID THEY HAVE!!!***

Interschool Sport—Term 3—Years 5&6

Interschool sport has now finished for the term and year. It was very unfortunate for the children that the last two weeks were washed out.

Thanks very much to all of the children for participating in school sport, the teachers for taking the time to train and organise teams and also any parents who managed to get along and support the kids on a Friday afternoon.

Friday Night Basketball—Term 4

Next term, Toowoomba School Sport is running a Friday Night Basketball Competition at various venues around Toowoomba. St Saviour's have entered two teams into the competition.

One boys team and one girls team. At present these children have expressed interest in participating: boys—Kobe Donovan, Klayton Pickering, David Abot, Elijah Boxsell, Dylan Bowe, Darcy Conway, Jailen Greenhalgh. Girls—Ella Horton, Tia Trezise, Zoe Dowsett, Sinclair Robertson, Harriet McAuley, Laura Conway, Abang Ayuel, Jasmine Dowsett, Erynn Millward.

Training will take place on Thursday mornings before school commencing at 7.15am in the Mercy Centre. It was good to see some children at the first training session this morning.

Once a draw is finalised it will be sent home. Please note that the first game is the first Friday back at school. We will then have the second Friday off due to camp. The competition concludes after week 7.

Thanks to Mrs Conway for coaching and organising the teams.

Year 4 Gala Day

The year 4 children enjoyed a fantastic day at Kearney Springs on Tuesday of this week. All of the children were extremely well behaved and represented St Saviour's with pride. Photos from the day have been included in today's Newsletter.

DD Aquathlon

The DD School Sport Aquathlon is taking place on Friday 28 October at Dalby Pool. This is for children born in 2005 and 2006. The event involves a run and a swim. For more information, please see Mr Hannant.

Have a great holiday everyone!!!

Sam Hannant

Senior Middle Leader & PE Teacher

Thank you to our volunteer coverers!

This term we say a very special thanks to; Karen Fuller, Meaghan Keen, Susan and Peter Kotzur, Mary Milton, Janelle Powers, Angela Ryan and Karen Taylor for their assistance with covering.

Please see the library staff if you can help in any way with this task.

Term 3 Overdue Loans

Students were issued with a list of overdue items early this week. Please check with your students to see these loans have been returned or renewed. Students have been encouraged to borrow plenty of reading material for the holidays so please ask them about their choices and set aside some time to talk about what they are reading or to read aloud as a family.

Toowoomba City Library Holiday Programme

Toowoomba City Library are offering some great activities during the holidays. Details are included at the end of the newsletter and flyers are available from the library or the bookshelf at the front office.

Thank you to our wonderful P & F!

Thank you to the P & F for the funds to buy the storage trolley which is an asset during lunch-time and creative zone activities.
