2010

**TRADE EXHIBITION
and
SPONSORSHIP PROPOSAL**

**XXIV IUPAP International Conference on
Statistical Physics**

**Cairns Convention Centre
Cairns, Qld, Australia**

19 - 23 July 2010

CONFERENCE OVERVIEW

The STATPHYS Conference series takes place every three years in a different continent to enhance the international relevance and visibility of the leading world event in the broad field of Statistical Physics and all its interdisciplinary developments.

Recent meetings have been held in GENOVA (Italy), BANGALORE (India), CANCUN (Mexico) and PARIS (France). STATPHYS 24 will be the first time this event is held in Australia and only the second time in the southern hemisphere. The entire Australian scientific community enthusiastically supports this meeting and warmly welcomes all international participants.

According to tradition, the highest international recognition in the field of Statistical Physics, the Boltzmann Medal, will be awarded at this meeting. In addition several satellite meetings will be held along with the main event, adding to the scientific value of the meeting.

Over 600 people, representing the scientific community internationally are expected to attend the event. The conference presents a unique opportunity for any organisation or agency wishing to bring its products or services to the attention of this group. We invite you to contact us about sponsorship opportunities to gain promotional exposure at the event.

ABOUT INTERNATIONAL UNION OF PURE AND APPLIED PHYSICS (IUPAP)

The aims of the Union are: to stimulate and promote international cooperation in physics; to sponsor suitable international meetings and to assist organising committees; to foster the preparation and the publication of abstracts of papers and tables of physical constants; to promote international agreements on other use of symbols, units, nomenclature and standards; to foster free circulation of scientists; to encourage research and education.

IUPAP Mission

To assist in the worldwide development of physics, to foster international cooperation in physics, and to help in the application of physics toward solving problems of concern to humanity.

SPONSORSHIP – A VALUABLE OPPORTUNITY

A variety of sponsorship opportunities will be available at the 2010 Conference. The Committee is happy to negotiate a package that will be of maximum benefit to your organisation or company and Statphys24. We are also happy to discuss any new proposals you may wish to put forward.

Your participation as a sponsor and/or exhibitor will ensure your access to the people with the buying power – the delegates to this international conference, affiliated organisations and, of course, their clients. Acknowledgment of the sponsors and exhibitors will be included on Conference material, on the website and displayed at the Conference.

If you wish to discuss a package more suitable to your company please contact: Michelle Madden at the Conference Secretariat, OzAccom Conference Services.

THE VENUE

The award winning Cairns Convention Centre is only ten minutes from the Cairns International Airport which is Australia's gateway to the Asia Pacific.

The Centre is renowned for its unique environmental design and is surrounded by the Great Barrier Reef and ancient tropical rainforests.

The world acclaimed Cairns Convention Centre is everything you would expect from an international standard purpose built venue located amidst an atmosphere and environment the world envies.

CONFERENCE ORGANISING COMMITTEE

- Mark Gould, *School of Mathematics and Physics, University of Queensland* **Chair**
- Murray Batchelor, *Department of Theoretical Physics, Australian National University* **Vice-Chair**
- Jan De Gier, *Department of Mathematics and Statistics, University of Melbourne* **Vice-Chair**
- Jon Links, *School of Mathematics and Physics, University of Queensland* **Treasurer**

THE PROFESSIONAL CONFERENCE MANAGER

OzAccom Conference Services has been appointed as the Conference Manager of the XXIV IUPAP International Conference on Statistical Physics. Your organisation can feel confident that OzAccom Conference Services will work with you and your representatives to develop a comprehensive package of benefits to suit your marketing strategy and then ensure your organisation receives maximum value from every promotional element of the package. Please do not hesitate to contact the Conference Manager to discuss any aspect of your involvement.

PAYMENT AND CONDITIONS

All prices listed are in Australian Dollars. All payments must be made in Australian dollars. Bank cheques, direct transfers and credit card payments will be accepted. All amounts include Australian federal Goods and Services Tax (GST) of 10%.

Sponsor Agreements

Once your preferred sponsorship package has been negotiated, please return the attached booking form to confirm your participation.

Sponsorship Cancellation Policy

Sponsorship cancellations must be made in writing. Please note that the detailed cancellation policy will be outlined in the Terms & Conditions included with the Sponsor Agreement.

DISCLAIMER

The entitlements listed in this document are offered on the basis that confirmation of a sponsor's involvement is received prior to the deadline specified by the Conference Manager (e.g. production of promotional material).

The Conference Management reserves the right to amend these packages subject to change in the program format.

RESPONSIBILITIES OF SPONSORS

It is the responsibility of sponsors to provide the materials listed in the sponsor package, once the commitment has been made.

Those companies which get the most out of their sponsorships are those who actively promote their presence at the convention and provide photographs, text and any other materials in a timely manner to the organisers.
