Dear (individual name here),

Wow! The week in East Asia was absolutely amazing. God taught me so much through this mission journey, my team, and the people we ministered to in East Asia.

One thing God taught me was ... (Share here an experience God taught you while on the trip.)

(Share here an experience about sharing your faith.)

(Share about some of the day-to-day activities your team was involved in during your mission trip.)

My life will never be the same because of this trip and I want to say thank you for your prayer, encouragement, and/or financial support. Without your partnership my mission trip might not have been possible. Thank you for investing in me for the Kingdom's sake! I know that God wants me to be bolder about sharing my faith – not just in East Asia, but right here in Hendersonville.

May the Lord bless you and your family for blessing and being a part of God's transformation of not only my life, but many of the Hui people in East Asia. Please don't stop praying for the Hui people. Pray that they would hear and accept the gospel and pray for protection for those that have recently accepted Christ. Pray also for the scriptures to be translated to the Hui language so that God's Glory would continue to be made known among them.

Love in Christ,
