Genetic Engineering & Biotechnology News

35th Anniversary!

Leading The Way in Life Science Technologies

The background of the top half of the page is a close-up, slightly blurred image of a calendar. The calendar is open to a page showing dates from the 22nd to the 31st. The dates are printed in a large, serif font. The calendar is tilted at an angle, and the colors of the days (white, light blue, light green) are visible. A red diagonal line runs across the calendar from the bottom left towards the top right.

2016
