Preschool Newsletter

Earth Day/Community Helpers/ Plants

Things are in full bloom now.

This was a fun and exciting unit. We have been talking about plants and watching bean seeds grow. We went out in the side/back of school and cleaned up trash and planted seeds/bulbs in our Preschool Garden. We are learning about seeds and trees and how

they grow. We discussed Community Helpers and what their jobs are. We compared how some of them are alike and how they are different. We sorted items that certain careers would use.

We are hoping that the Police Of-

ficer for our school (Our Resource Officer) will get to come talk to us this week. We will also have a visit from our School Nurse before the end of the school year hopefully. She is a surgical nurse when she is not at one of our schools.

Special points of interest:

- April 26th Kindergarten Registration –Last one
- April 28th Book Order Due.
- April 29th Arbor Day
- May 3rd Field Trip to Zurfarm Combined classes 9:30-1:00
- May 5th Cinco De Mayo
- May 6th No School
- May 13th No School
- May 16th Preschool Graduation
- May 20th No School
- May 23rd Fun Day
- May 25th Last Day Picnic and Field Day combined classes 9:00-11:30am

Mother's Day and Cinco De Mayo

We will start our Mother's Day unit and Cinco De Mayo. We will try different Mexican foods and make items for our Mom's.

We will continue watching our plant growth also. We will probably go plant some actual flowers outside in our garden too. The children en-

joy learning about flowers, feeding the birds, and watching the various wildlife outside our classroom window.
