Instructions

- ♥ If you have a classroom mirror, encourage the kids to have a look at themselves and identify features such as their eye color, hair color, eyebrows, nose etc.
- ♥ **Craft Template** – These look really cute printed on a variety of colored paper. I try to print a variety of colors, so that the kids can choose a color they like.
- ♥ **Writing Template** – These come in both an American and Australian spelling version. I usually print these ones on white paper.

IDEAS FOR SELF PORTRAITS

- ♥ **Collage** – Provide kids with a variety of collage materials such as colored yarn, small bits of fabric or crepe paper, googly eyes, mini popsicle sticks or matchsticks. I like adding the option of acrylic paint too.
- ♥ **Painting** – Kids can paint their features using acrylic paint.
- ♥ **Oil Pastels and Dye** – It can be fun to use oil pastels and then edicol dye over the top. If you're choosing this option, I would print the template on thick white cartridge paper so it doesn't go soggy.
