Dear **Name**

Hi! It's the Easter Bunny!

I'm so excited that it is nearly Easter time. Soon I will be delivering my eggs to all the children who have been good.

Spring is my favorite time of year, when we rabbits come out, sniff the sweet spring air and hop outside to see the spring flowers starting to bloom!

Name, I know that you have been a good **gender**, so when I visit **hometown** I am looking forward to leaving some Easter eggs for you!

I've heard that you **achievement** this year that sounds so exciting!

Now that you are **age** years old I know that you will be able to stay good right up 'til Easter day itself.

Must hop off now, I have to make sure I've got enough Easter eggs for all the boys and girls, especially for you and **friend** too!

Your Friend,

Easter Bunny
