

Chore Charts

These chore charts were designed to go along with our workbox system, but mainly to help us keep better track of the chores that we have our kids do on a daily basis: some that are expected and some that are paid.

The chart is divided into three parts daily: 3 morning chores, 3 afternoon chores and 3 paid chores. In our house, the morning and afternoon chores must be completed in order for the paid chores to receive compensation.

Our chore charts are laminated and we use a Sharpie to check off the chores that are completed (the Sharpie can be removed with nail polish remover) and we have 'payday' once a week.
