Dear Parent/Guardian(s),

As you may be aware, the financial condition in the State of Illinois continues to present challenging times for everyone. As a result of these fiscal challenges, school districts across the state are evaluating all financial areas. One area that many districts are evaluating is the issue of unpaid student fees. After thorough research and evaluation, Johnsburg School District 12 will be implementing a new process regarding unpaid student fees.

The purpose of this letter is to notify our parents/guardians of this change regarding the collection of all unpaid fees from a previous school year. Beginning in the fall of the 2012-13 school year, **ALL PAST DUE FEES** will be required to be paid in full. If there are any unpaid fees from a previous year remaining at the beginning of the 2012-2013 school year, **NO STUDENT PARTICIPATION** will be allowed for the following extracurricular activities:

- All athletics
- Special privilege cards
- Parking passes
- Clubs
- School sponsored extracurricular activities outside of school hours
- School dances
- Social events
- Summer camps

The District recognizes that circumstances facing many families are extremely trying and the District continues to work with families having financial difficulties. Any questions or concerns regarding this new process can be expressed to the Johnsburg School District #12 Board of Education. Members can be reached by email at d12president@johnsburg12.org.

Thank you for your understanding in this matter.
