

Season Greetings!

On behalf of the staff at the Scotts Bluff Country Club, I would like to wish you and your family a safe and happy holiday season. It has been our privilege to serve you this past year, and we hope that each experience at the Club has been exceptional.

For those members who would like to show their appreciation to the staff at the Club during the holiday season, an Employee Christmas Fund has been established. The Scotts Bluff Country Club is a non-profit organization and we make every attempt to minimize operational expenses in order to keep prices reasonable for our members.

The monies received for the Christmas Fund are distributed to all kitchen, cleaning and maintenance, office, and service staff based on the length of service to the Club as well as the degree of responsibility the position holds. If you would like to designate the money to a specific staff member, please note that designation below. Please note that the management team (General Manager, Food & Beverage Director, Controller, and Superintendent) does not participate in the Christmas Fund.

We are grateful to all those who contributed to the fund in 2011. If you would like to participate this year, please complete the bottom portion of this letter. For your convenience, there are two payment options available. You may include a check or you may bill your account for the amount noted which will be added to your next statement.

Thank you for your consideration.

Sincerely,

*CM Nowlen*, GM
