

Student CV For Internship

Personal Information

- **Name:** Jane Smith
- **Address:** 456 College Lane, Campusville, ST 67890
- **Phone Number:** (123) 456-7890
- **Email:** janesmith@example.com
- **LinkedIn Profile:** Jane Smith (if available)

Objective Statement

A focused statement that clearly states your internship goals and how you can contribute to the organization.

Example: "Ambitious and driven biology major seeking a summer internship with [Company Name] to apply my research skills and laboratory knowledge in a professional setting, while gaining practical experience in environmental science."

Education

List your most current educational information first, including any relevant honors or awards.

Example:

- **State University, Campusville, ST**
 - B.S. in Biology, Expected Graduation: May 2026
 - **GPA:** 3.9

Relevant Coursework

Showcase courses that are pertinent to the internship you are applying for.

Example:

- Cellular Biology and Genetics
- Environmental Science
- Laboratory Techniques in Molecular Biology

Skills

Include both technical and soft skills that are applicable to the internship.

Example:

- Proficient in laboratory techniques such as PCR, gel electrophoresis, and microscopy
- Strong analytical and problem-solving skills
- Excellent written and verbal communication

Projects

Detail any academic or personal projects that are relevant to the internship, emphasizing your role and the outcomes.

Example:

- **Research Project on Wetland Ecosystems, State University**
 - Conducted field research and data analysis to assess the impact of pollution on local wetland biodiversity.
 - Presented findings in a well-received report and at the university's annual science symposium.

Extracurricular Activities

Mention any clubs, organizations, or teams where you have been active, especially those where you have taken a leadership role.

Example:

- **Member, Environmental Club, State University**
 - September 2024 - Present
 - Collaborated on community outreach programs to educate the public about sustainable practices.
- **Volunteer, Local Animal Shelter**
 - June 2024 - August 2024
 - Assisted in the care and rehabilitation of rescued animals, developing empathy and teamwork skills.

Awards and Honors

Highlight any recognition you have received that underscores your capabilities and achievements.

Example:

- Dean's List: Fall 2024, Spring 2025
- Recipient, State University Biology Scholarship, 2025
