# Welcome on the journey...

Grace Episcopal Church is a place where the Holy Spirit is alive and well, working through and among us to accomplish God's incredible vision. Our ministries are thriving and our facility has never looked better.

This presentation is intended to convey a real picture of what we are doing through the generosity of our members and friends. We have demonstrated in graphic and narrative form the areas of ministry in which we are currently actively involved.

# Communication

Good communications is critically important to the life of our congregation and currently accounts for 20% of our total operating expenses. As the generational make-up of our congregation continues to become more diverse, it is important to communicate in a variety of ways. The challenges of our mobile, busy, often-times over-extended lifestyles requires that the church do everything in its power to keep people up-to-date with parish activities and ways in which people can participate. This includes our website, newsletter, bulletins, and all other vehicles for keeping in touch.

# stewardship statement

Explain the significance of your stewardship statement. What does it mean to the vestry and/or stewardship committee? How would you like others to respond?

# Stewardship is a Lifelong Journey

## A Suggestion for Beginning the Journey

- Calculate your annual household income
- Write down your current annual pledge to the church
- Calculate the percent of income you are currently giving to the church.
- Consider what gift (or percent of your income) would bring you joy.

## More Food for Thought

- On an annual basis, how much does your household spend on \_\_\_\_\_?  
*(Insert something you consider to be a discretionary expense such as hobbies, entertainment, vacations, etc.)*
- What percent of your income do you spend on this item annually?
- Compare this number with the percent given to the church

*For where your treasure is, there your heart will be also.*

*Matthew 6:19-21*

## Discovering the Joy of Giving

Becoming a faithful steward of God's abundant blessings, enables us to experience the joy of giving. Some have humorously suggested that we should "give until it hurts", while the discipline of stewardship suggests that we "give until it feels good".

Discovering God's will for our lives and resources is an opportunity for spiritual growth and a deepening of our relationship with God.

# What Portion Shall I Give?

By considering our gift to the church as a proportion of income, we establish priorities that reflect our relationship with God. Determining our giving to God through the church requires prayer and faith. Biblical tradition, as well as the teaching of the Episcopal Church, suggests the practice of giving away 10% (a tithe) of our income. For some, it is helpful to calculate the current percent of income given to the church and to grow one or two percent per year until the tithe is reached. As a guide for your stewardship journey, we offer this proportionate giving chart.

## Proportional Giving

Annual Income	2%	4%	6%	8%	10%	12%	15%
\$30,000	\$600	\$1,200	\$1,800	\$2,400	\$3,000	\$3,600	\$4,500
\$40,000	\$800	\$1,600	\$2,400	\$3,200	\$4,000	\$4,800	\$6,000
\$50,000	\$1,000	\$2,000	\$3,000	\$4,000	\$5,000	\$6,000	\$7,500
\$75,000	\$1,500	\$3,000	\$4,500	\$6,000	\$7,500	\$9,000	\$11,250
\$100,000	\$2,000	\$4,000	\$6,000	\$8,000	\$10,000	\$12,000	\$15,000
\$125,000	\$2,500	\$5,000	\$7,500	\$10,000	\$12,500	\$15,000	\$18,750
\$150,000	\$3,000	\$6,000	\$9,000	\$12,000	\$15,000	\$18,180	\$22,500
\$175,000	\$3,500	\$7,000	\$10,500	\$14,000	\$17,500	\$21,000	\$26,250

## you want me to do what?

For some, giving back 10% (or more) of their annual household income is a daunting challenge. This is why stewardship is about growth. It encourages us to assess where we are in returning a substantial proportion of our blessings back to God out of gratitude for everything we have been given. It is about finding the level of giving that brings us joy.

Here is a place for closing comments.

Tell people this is an invitation to do more. Let them know how important it is that they are a part of the extraordinary effort.

Give dates/times/specifics of other stewardship activities.

Remind them to be in prayer for the ministries of your parish, as well as for their own response to God's call to stewardship.

Remind them of the joy of giving that comes from responding to God's grace.

## oh...and about the fork?

A woman was meeting with her rector to discuss wishes for her funeral services. All arrangements had been faithfully noted in her file, as she had no family left in the area.

"Oh, one last thing," she said, "Make sure to bury me with a fork in my right hand."

"A fork!" the rector exclaimed. "Why a fork?"

"When I was a little girl," she explained, "every night after dinner when we would clear the table, my mother would remind us to keep our forks."

"And?" the rector waited in hope of further explanation.

"Well", she said, "keeping the fork means there is more on the way...in fact, *the best is yet to come.*"

This is to serve as a reminder that we are called to embrace God's vision for our ministry by being open to new and better ways of being God's people. As it was for the woman in the story, the best for Grace is yet to come!
