Spelling Battleship Game

Player Number 2:

How to play:

Once your partner is ready, call out locations by naming the letter and number. If your partner says there is no letter there, put an "x" in the box. If your partner tells you you've "struck" a letter, then write that letter in the box on your worksheet. As soon as you can, guess the spelling word and write it on the correct boxes. Play until you discover all of the spelling words.
