

Nursing (BS) – Sample Résumé

HORTENSE BRADEHORST

123 North Street, DeKalb, IL 60115 • hbradehorst@yahoo.com • (123)555-5555

OBJECTIVE

A position as a registered nurse at Sherman Hospital with special interests in obstetrics and pediatrics.

EDUCATION

Bachelor of Science, Nursing, Northern Illinois University, DeKalb, IL, May 20XX

Language Skills: Conversant in Spanish and American Sign Language

NURSING INTERNSHIP

Edward Hospital, Naperville, IL, Summer 20XX

- **Labor & Delivery:** Initiated NST, assisted with vaginal deliveries, and prepared patients for C-section.
- Developed supportive relationships with patients and attended to the unique needs of each patient/family.
- Collaborated with team members to effectively manage patient pain and support birth plans
- Educated and supported mothers during breastfeeding; recognized for demonstrating multicultural sensitivity in developing rapport with patients and families.
- Fine-tuned skill in completing newborn assessments and delivering postpartum care.

NURSING STUDENT CLINICAL EXPERIENCE

Sherman Hospital, Elgin, IL, Fall 20XX

- **ER:** Strengthened critical thinking skills by assessing, analyzing and implementing holistic care.
- Gained skill in efficiently multi-tasking in a heavily utilized trauma center; commended for maintaining a professional, calm presence under pressure.
- **Telemetry:** Reviewed charts and physician orders to implement comprehensive treatment plans for patients.
- Supported patients and families in managing emotional issues associated with critical illness.
- Worked collaboratively with team members to deliver outstanding patient care.

Central DuPage Hospital, Winfield, IL, Spring 20XX

- **Pediatrics:** Acted as a liaison between patients, family members and physicians in delivering care and treatment recommendations.
- Demonstrated creativity and patience in calming scared children and an ability to act as a sounding board for scared, nervous or frustrated parents/guardians.

McHenry County Health Department, Woodstock, IL, Fall 20XX

- Gained knowledge of home health nursing by assisting with nurses' visits for the McHenry Care Program and Lead Prevention Program.
- Enhanced knowledge of community challenges and resources by visiting food pantries, clinics and shelters.

Provena St. Joseph Medical Center, Joliet, IL, Spring 20XX

- **ICU:** Communicated in Spanish with patients and families; interpreted and analyzed lab results.

Delnor Community Hospital, Geneva, IL, Summer 20XX

- Triage ER patients and provided comfort to family members following the death of a loved one.
- Performed chest compressions during a code on a trauma patient.

Linden Oaks at Edward Hospital, Naperville, IL, Summer 20XX

- Utilized strong listening skills to develop rapport with patients presenting mental health issues.
- Collaborated with a multidisciplinary team to lead therapy groups on feelings, self-esteem and anger.

RELATED EXPERIENCE

Certified Nursing Assistant, Rockford Memorial Hospital, Rockford, IL, May 20XX-Present

- Support nursing staff and physicians; provide compassionate care for maternity patients and newborns.
- Received Rockford Memorial Star of the Month in May 20XX in recognition of commitment to quality, service, and teamwork.

LEADERSHIP EXPERIENCE

Vice-President, Student Nurses' Organization, Northern Illinois University, DeKalb, IL Fall 20XX-Spring 20XX

- Cooperate with chapter President to provide leadership and organize activities for a 150 member organization.
