**Coach Michael Thompson****Head Football Coach****State University**

456 College Way

University City, GA, 30302

Dear Coach Thompson,

I am writing with great excitement and honor to formally express my commitment to join the State University football team as part of the National Signing Day on April 15, 2024. After thorough consideration of my options and numerous discussions with my family and mentors, I am confident that State University is the best place for me to grow both academically and athletically.

Throughout my high school career at Hometown High School, I have dedicated myself to achieving excellence on the football field and in the classroom. As a starting quarterback for three years, I led our team to two state championships and received All-State honors in my junior and senior years. Academically, I have maintained a GPA of 3.8, demonstrating my commitment to success in all endeavors.

The opportunity to play under your leadership, Coach Thompson, is one I hold in high regard. Your coaching philosophy, the team's competitive spirit, and the academic

support provided at State University align perfectly with my goals. I am eager to contribute to the team's future successes and to further develop my skills under your guidance and that of your coaching staff.

State University's reputation for excellence both on the field and in its academic programs has deeply influenced my decision. I am particularly excited about enrolling in the Business Management program, which I believe will provide me with a strong foundation for my future aspirations on and off the field.

I would like to extend my deepest gratitude to you, Coach Thompson, for your belief in my abilities and for offering me the opportunity to be a part of the State University family. I also want to thank my high school coaches, teammates, and my family for their unwavering support and guidance throughout my journey.

I am fully committed to upholding the values and standards of State University and the football team, and I look forward to contributing to our collective goals. Please find enclosed my signed National Letter of Intent along with other required documentation to formalize my commitment.

Thank you once again for this incredible opportunity. I am ready to face the challenges ahead and make a significant impact both as a student and as an athlete at State University.

Sincerely,

**Jordan Williams**
