Summary

Dynamic Security Guard with over 5 years of professional experience in various high-security environments. Expert in utilizing modern surveillance systems and proven patrol techniques to maximize area coverage and ensure public safety. Quick to respond to crisis situations with a calm and decisive approach, aiming to prevent incidents through heightened awareness and preventive measures.

Professional Experience

Security Guard

ABC Security Solutions, New York, NY

June 2018 – Present

- Monitored an array of CCTV systems across 20+ properties, ensuring the safety and security of both commercial and residential areas.
- Responded to 100+ security alerts and emergencies, effectively reducing potential threats through quick and professional action.
- Implemented thorough security checks at building entrances that decreased unauthorized access by 30%.

- Led a team of 10 junior security guards, providing training and ongoing support to enhance team skills and cohesiveness.

Security Officer

XYZ Corp, Brooklyn, NY

January 2016 – May 2018

- Managed daily security operations for a major corporate building, significantly reducing security breaches through enhanced protocols.
- Developed and executed comprehensive emergency procedures, reducing incident response time by enhancing staff preparedness and resource availability.
- Collaborated with NYPD during emergency situations, providing critical support and facilitating swift resolution of security issues.
