- If you are a Council tenant, we will pay any Housing Benefit you are awarded into your rent account.
- If you are a Housing Association tenant and are awarded Housing Benefit, you can choose whether we pay this directly to you or your landlord. If we pay you direct, we will pay your Housing Benefit straight into a bank, building society, GIRO account or National Savings Bank account.
- If you are awarded Council Tax Support, we will pay this into your Council Tax account.
- If you are renting from a Private Landlord and are awarded Local Housing Allowance, in most circumstances we will pay you directly into your bank, building society, GIRO account or National Savings Bank account.
- If you do not currently have a bank, building society, GIRO account or National Savings Bank account do not delay in completing and returning this form and contact us for further information on opening a bank or building society account.

Payment direct into an account

We recommend that you get your money in this way because:

- it is safe and secure
- it is convenient – you decide when and how much you want to withdraw
- using an account may help you to save
- from some accounts you could have regular bills paid (this could save you money but you will need to make sure that there is enough money in your account to pay the bills – if not, you may be charged a fee), and
- you can get your money from many different places.

The account can be:

- in your name
- in the name of your partner (we use *partner* to mean
 - a person you are married to or a person you live with as if you are married to them, or
 - a civil partner or a person you live with as if you are civil partners)
- in both the names of yourself and your partner
- in the name of the person acting on your behalf, or
- in both the names of yourself and the person acting on your behalf.

If you are renting from a Private Landlord and your claim is being assessed under the Local Housing Allowance scheme, we can only pay your landlord in certain circumstances. For more information go to page 27.

Under the Local Housing Allowance (LHA) scheme, we will usually pay benefit to you, the tenant. You must then pay the rent to your landlord yourself.

If you think that getting Local Housing Allowance payments will cause you serious problems. we may be able to pay your LHA to your landlord. We will need to decide if you are having or are likely to have problems managing your money and paying rent.

If you would like us to consider making payment to your landlord, please complete the section below and provide proof in support of your request.

We will only share information with your landlord if you give us permission to do so by signing this form.

If you give us permission, we would be able to tell your landlord whether:

- you have claimed Housing Benefit, or
- we have made a decision on your claim, or
- we need more information to make a decision on your claim, and what that information may be.

We will not give your landlord any specific information about:

- **your personal or household circumstances, or**
- **your financial circumstances.**

You can withdraw your permission at any time.

It will not affect your claim if you do not give us permission to discuss your claim with your landlord.
