Consignment Contract Terms & Conditions

1. Your items are consigned for one season only: Spring/Summer (Feb-Aug) OR Fall/Winter (Sept-Jan).
2. Our goal is for you to make a minimum of \$300.00 for yourself each season. An OUTRIGHT BUY alternative will be recommended if you will make less than that amount.
3. Consignors receive 40% of the FINAL SELLING PRICE. The final selling price may vary from the estimated selling price due to sales promotions, length of time in shop, type of item, and general competitive retail market.
4. Price guarantees for exclusive items or variations of client percentages must be discussed by appointment and documented on your account.
5. The charges for dry cleaning or repairs required will be applied to your account.
6. Turnabout is not responsible for damage or loss of an item.
7. There will be a \$5.00 per item service charge for any item requested for return within the first two months of being consigned. It can take up to one week to arrange the return.
8. QUICK DROP – as soon as you start a consignment season you are welcome to bring items to any of our locations without an appointment. Saleable items will be added to your account and unsalable items will be donated to charity.
9. An itemized list of your consigned items can be picked up or emailed by request.
10. PAYOUT CHEQUES for \$50.00 or more are issued quarterly, the third Tuesday of March, June, September and December. Cheques will be held for pick up at the Turnabout location where you started your account.
11. STORE CREDIT Use any monies owing to you as store credit at any Turnabout location.
12. Turnabout is responsible for documenting consigned items and any monies owing to you.
It is your responsibility to notify Turnabout at the end of each consignment season if you wish to pick up unsold items originally appraised at \$50.00 or more. ☐ Initials
13. When the consignment season is over, expired (stale-dated) cheques, unclaimed monies, and items left past the consignment season become the property of Turnabout. ☐ Initials
