

Operation Art

Artwork Release Form

A separate form is required for EACH student. Please return completed form to the school to be submitted with Artwork.

Operation Art is an initiative of The Children's Hospital at Westmead in association with the NSW Department of Education.

The Children's Hospital at Westmead strives to remove the anxiety for both parents and children during hospitalisation by developing an extensive collection of children's artworks to stimulate the healing and recovery process.

Operation Art is generously supported by ANSTO (Australian Nuclear Science and Technology Organisation)

I agree to the participation of my child in Operation Art 2016.

I agree that, if selected, the original artwork becomes part of the Permanent Collection of The Children's Hospital at Westmead and/or of Operation ArtBank for gifts to country and overseas hospitals. I understand that the works selected for the Children's Hospital at Westmead will tour regional galleries for 12 months. I understand that at the completion of the exhibition the framed work or copy of the work will be sent back to the school. The ownership of the work will be decided between the school and student's family.

I authorise the NSW Department of Education and/or The Children's Hospital at Westmead and/or ANSTO to use, copy or adapt any photograph, film or video recording of my child's artwork or portrait image and I understand that these images may be used for teaching resources and other publications including the Operation Art and/or The Children's Hospital at Westmead and/or ANSTO websites on the internet.

I also agree that, if not selected for Operation ArtBank, the artwork may be submitted for consideration for other Visual Arts activities supported by the NSW Department of Education such as international art exchanges with Japan, USA, etc. Schools and students will be advised if any works are selected for such activities
