

This brochure presents a taste of the RIZO jewelry collection by Maroeska Metz. Her fresh new designs feature pieces that are modern but with a classical touch. Each piece is unique, made with craftsmanship and dedication, and each item has a woman's name. They are designed for women with character. As Maroeska says, "A jewel should do something for you. It should make the woman more beautiful and intensify her personality." All pieces are made in red/white or yellow 18 carat gold with precious and semiprecious stones like diamond, amethyst, topaz, quartz, peridot and citrine. You will find the collection on our website [www.RIZO.com](http://www.RIZO.com), along with detailed descriptions and purchase information. Your ideas for customized jewelry are always welcome. Enjoy the surprising, original and witty ideas of Maroeska's creations. Keep her collection in mind when you need a special gift for someone you love or for yourself!
