SIGHT WORDS

& SPELLING WORDS

TIC-TAC-TOE

The first 2 pages are my original tic-tac-toe pages. The next pages have a space at the top for the weekly word list. I simply write the words that we are working on and photocopy it for the whole class. I sometimes write different words for those students who either need a challenge or are struggling with the words that are being practiced and need easier words.

I always write the date at the top (where it says "week of"). This way, it is easy for me to make sure students are using the right sheet week after week.

I also use the 3 versions in rotation (you will notice the numbers 1, 2, & 3 at the bottom right corner of the pages). I do this in order to make sure that my students do not always choose the same 3 activities every week!

Each page in this pack comes with both titles 'sight words' and 'spelling words'. You can choose which ones you want to use for your class!

The last pages are the recording sheets. I photocopy this page at the back of the tic-tac-toe sheet so that it doesn't get lost.

I use this activity as part of my homework packet. However, this can also be used in a literacy center.

I hope you enjoy you are your kiddies enjoy this activity!
