

Natural Family Planning Courses

Wednesday, September 21, 2016

The following NFP courses sponsored by the Diocese of Fort Worth are four sessions in length. Couples preparing for marriage must attend all four sessions of one NFP method to fulfill marriage preparation requirements. If less than four dates are listed below for a given NFP course, the rest of the sessions will be personally scheduled chart reviews. To ensure adequate time for completion, the diocese recommends completing instruction 90 days prior to your wedding day.
