Dear Mom and Dad,

I wanted to take a moment to express my deepest gratitude for everything you have done for me. Your love, support, and guidance have shaped me into the person I am today. From the countless sacrifices you've made to the endless encouragement you've given, I am truly blessed to have such wonderful parents.

Thank you for always believing in me, even when I doubted myself. Your unwavering support has been my strength through the ups and downs. The values you've instilled in me and the lessons you've taught are priceless gifts that I will carry with me throughout my life.

I appreciate all the little things, too—the warm meals, the comforting words, the laughter, and the moments of shared joy. Each memory is a testament to the love and care you have always shown me.

I am forever grateful for your presence in my life. Thank you for being my rock, my role models, and my biggest cheerleaders. I hope to make you proud every day.

With all my love and gratitude,

Michael
