PRE-CRUISE TRAVEL ARRANGEMENTS:

Carnival Cruise Lines strongly recommends that the bridal party arrives at least one day prior to sailing to avoid late flights, traffic etc., on their wedding day. Coming in the day prior is not a requirement for the wedding program, only a suggestion. (Anyone using Carnival's Fly Aweigh Program may need to deviate their flights in order to ensure arrival in time for priority boarding). Early flights the day of sailing may not be available due to airline availability or scheduling.

Travel arrangements such as flight times, transportation to the pier from the airport and/or Hotel are not arranged by Carnival Weddings Department. To coordinate your Carnival's pre-cruise travel packages, your travel agent must make arrangements with Carnival's Reservation or Group Reservation Departments. For a nominal fee, Carnival's Air Sea Deviation Department will coordinate your customized flight times; your travel agent must make arrangements with Carnival's Air Sea Deviation Department, no later than 45 days prior to your cruise. Please note that the transfers that Carnival offers to the port will not get you there on time. Please make alternate arrangements for prompt transportation to the pier.

Priority boarding is provided for couples being married the day of embarkation, once the ship is cleared by U.S. Customs. All wedding ceremonies are timed, priced and coordinated for the time allotted for your specific package. COUPLES BEING MARRIED LATER IN THE CRUISE WILL FOLLOW GENERAL BOARDING PROCEDURES.

WEDDING GUESTS:
