Clinical Experience

Registered Nurse – Philadelphia General Hospital, Philadelphia, PA

July 2016 – Present

- Provided comprehensive nursing care to patients in the emergency room, managing caseloads of up to 20 patients per shift.

- Conducted thorough patient assessments, developed and implemented individualized care plans, and monitored patient progress.
- Administered medications, performed wound care, and assisted with life-saving procedures under physician supervision.
- Educated patients and families on disease management, medication, and lifestyle adjustments, significantly improving patient satisfaction scores.
- Collaborated with interdisciplinary teams to ensure optimal patient care, resulting in a 15% decrease in hospital readmission rates.

Staff Nurse – Sunnydale Long-Term Care Facility, Nursingtown, PA

May 2016 – July 2016

- Assisted in the daily care of elderly patients, providing support with hygiene, nutrition, and mobility.
- Monitored vital signs and symptoms, reporting any changes to the attending nurse or physician.
- Played a key role in patient and family education sessions, promoting health and wellness.
- Maintained a clean and safe environment for patients and staff by adhering to infection control policies.

Skills
