"Learning Today... Leading Tomorrow..."

To the Navesink School Community,

In an effort to continue to reinforce student safety with respect to food allergies, as well as to adhere to Federal Guidelines regarding food items that are not permitted to be served, sold, or given out by anyone during the school day, Middletown Township Schools have implemented changes to individual birthday celebrations. Food items are no longer permitted to be distributed for birthday celebrations, each school will continue to recognize individual birthdays in various ways.

Thank you in advance for your continued cooperation and understanding regarding this initiative, it is greatly appreciated. If you have any questions or concerns feel free to contact the building at any point. For further information pertaining to the Federal Guidelines please see the school website.

Educationally yours,

**James Altobello
Principal**
