*A Firefighter's Prayer*

*When I am called to duty, God  
Wherever flames may rage,  
Give me the strength to save some life  
Whatever be its age.  
Help me embrace a little child  
Before it is too late,  
Or save an older person from  
The horror of the fate.  
Enable me to be alert and  
hear the weakest shout,  
and quickly and efficiently  
To put the fire out.  
I want to fill my calling and  
to give the best of me,  
to guard my every neighbor  
and protect their property.  
And if according to your will  
I have to lose my life,  
Please bless with your protecting hand  
my family and my wife.*
