Dear Scholarship Committee,

I hope this message finds you well. I am writing to express my sincere gratitude for awarding me the Bright Future Scholarship. After careful consideration, I have decided to decline the scholarship offer.

This was not an easy decision for me, as I am truly honored to have been selected for such a prestigious award. However, after evaluating my academic and career plans, I have decided to pursue an opportunity that better aligns with my goals at this time.

I want to extend my deepest thanks to the committee for considering my application and for the generous offer. I hold the Bright Future Scholarship Program in the highest regard and appreciate the support and encouragement you provide to students.

Thank you once again for the opportunity and for your understanding.

Warm regards,

Olivia Martinez
