## SPONSOR REQUEST LETTER

Dear Community Leader,

2015 Year

For the past ten years, F.C. Diablos has been instrumental in shaping the minds and character of hundreds of youth from different social, economic, racial and ethnic background. Using soccer as their outlet, these youths transform their energy and competitive spirit to become community role models.

Our mission is to provide all youth in the community with the opportunity to play soccer regardless of their skill level. We are a development-focused youth program. Through this program, youth will be taught to improve their soccer skills while learning the important values of teamwork, sportsmanship and fair play. The F.C. Diablos goal is not only to advance the youth's athletic skills but to grow their overall development as a person by building lifelong skills such as: strategic thinking, discipline, logic, goal setting and leadership, among others. Research indicates that youth who develop these skills early on in life thrive in school, at home and will lead a more successful life.

Thank you for supporting F.C. Diablos. Attached you will find a contribution card; there are different levels of sponsorships available. All contributions are tax deductible. Should you have any questions regarding a contribution or need additional information about the FC Diablos please do not hesitate to contact us.

For tax reporting purpose all checks must be made out to:
