The Philmont Training Center (PTC) is nestled in the foothills of the Sangre de Cristo Mountains of northeastern New Mexico near Cimarron. Rich in history and natural beauty, this area offers exciting educational experiences for the entire family. PTC has served as the National Training Center for the Boy Scouts of America since 1950. A variety of week-long conferences will be conducted for unit, district, and council volunteers and professionals. Each conference features the latest tools, audiovisuals, and techniques led by a faculty of experienced Scouters. In addition to hosting these Conferences, the Training Center also provides the opportunity for families to join their Scouters and enjoy a wide range of family programs—making the Philmont Training Center experience one of a kind. Our summer staff will lead hikes, tours, handicrafts, and other outdoor activities. A week-long backcountry Mountain Trek is offered for Venturing-aged youth (except Fall Conference, week 12).

Attendance:

Any registered Scouter who is interested in learning how to provide a better, stronger Scouting program is invited to attend. Scouters are encouraged to bring their immediate family members.

Conferences:

Over 80 separate week-long conferences are scheduled. Conferences will cover almost every aspect of Scouting—from Cub Scouting and Boy Scouting to Council and District Operations, from Venturing and Professional Development to Advancement and Finance. The conferences are conducted by various departments of the national council and are led by a faculty of outstanding volunteer and professional Scouters. Each conference is designed to discuss specific Scouting issues, share information from all over the BSA, and train using the "best methods" that will enhance the Scouting program for youth and adults. While conference time is important, ample opportunity for a Scouter to enjoy the majesty of Philmont with his or her family is part of the schedule of most conferences.

Facilities:

Tent cities accommodate Training Center participants and their families. Tents are large, two person wall tents with wooden or concrete floors, electric lights, an electrical outlet, wardrobe, and two twin-sized beds with mattresses. Each tent city has restrooms, hot showers, and family shower houses. Cots and cribs are available for use during the week.

Family Program:

The Philmont Training Center offers a full, organized program for every member of the family—from infants to spouses. Family members are joined by others in their age group to participate in carefully designed, age-appropriate programs under the leadership of trained and experienced Philmont staff.

Family Program Groups:

Nursery (2 months to 2 year olds) – A fully equipped nursery is available for the youngest family members. Nursery children may be left for either an hour or two, or for the entire program session, as may be determined by your activity schedule. Care is provided according to your instructions.

Small Fry (3-5 year olds) – The Small Fry Center is located next to the Craft Center. Philmont staff provides activities, games, pony rides, and supervised play during each program session.

Cowgirls (6-7 year old girls), Cowpokes (6-7 year old boys) – These individual groups participate in nature hikes, pony rides, games, songs and skits, crafts, museum tours, and two half-day hikes. On weeks with smaller attendance, these two groups are combined to form the Bandits.

Ropers (8-10 year olds girls), Deputies (8-9 year olds boys) – Ropers and Deputies programs include hiking, Villa and Museum tours, archery and BB Guns, pony rides, games, crafts and an all day hike.

Sidewinders (10 year old boys) – Sidewinders enjoy hiking, sports, crafts, archery and air rifles, Villa and Museum tours, and a Sidewinder/Parent overnigher.

Mountain Trek (14-20 year olds)

Mountain Men and Mountain Women treks are backpacking expeditions that provide the opportunity to experience the rugged challenges of Philmont's mountains. Mountain Trek crews travel approximately 20-30 miles in Philmont's backcountry where each Mountain Trek crew will stay at several staff camps that offer a variety of exciting programs, from mountain biking and rock climbing, to gold panning and homesteading. Groups with less than 10 Mountain Trek participants will be combined to form a co-ed Venture crew. Please note, the Mountain Trek program is not offered during the Fall Conference. Full details on programs are sent to participants upon acceptance.

NAYLE (14-20 year olds) – National Advanced Youth Leadership Experience (NAYLE) is a conference focused on leadership. See 'NAYLE' listing in course descriptions on page 5.
