I just wanted to write and say another massive thank you for a truly memorable weekend away at the magical farmhouse!

We had such a wonderful time and look forward very much to returning. Will check out the diaries and no doubt be in touch very soon.

Take care,

"The best staying experience that I ever had, for sure!!! Muchas gracias, Ruben (Red Bull, September 2013)."

"1 November 2013 - I don't think that we have ever stayed in such a delightfully idiosyncratic house. The children loved all the staircases, the secret bedroom, and the minstrels' gallery; the second youngest (2 1/2) just loved peeping through the railings, and announcing her presence to all of us down below. The large amount of rain didn't spoil our desire to explore the wild and beautiful country around Foel Ortho (I understand now why reservoir builders love mid-Wales!). In fact the rain had one great advantage. It meant that we had the excitement of seeing some really spectacular waterfalls!

So thank you, Ed and Jenny. We have enjoyed our stay here. and we all enjoyed the musical evening. Never in the history of mid-Wales has so much talent been assembled in one place. One final comment - your garden is just so original, so full of quirky delights and surprises beyond every Portmeirion Tuscan-red cottage, and trumpeters lurking in the undergrowth.

The Coopers - Alastair and Margaret, Duncan, Hayley, Mia, Rosa and Ivy. Beth, John, Freya and Barney (York)."

"Greatest bunkhouse ever! The jazz interlude was very impressive! All the best with the construction work, from the mountain bikers Will, Adam, Adan."

Dear Eddie and Jenny,

Thank you so much for an incredible weekend! Such creative genius has gone into this wonderful place and it has been a privilege to experience it. You are both such gorgeous people and have made our holiday incredibly special! Massive thanks, Steve Dixon.

Dear Ed and Jen, your property is fabulous and your hospitality is way beyond the requirements, and very much appreciated. Many thanks, Marceline D XX

We have all had a fabulous time, and all the children are refusing to go home. The secret bedroom reminded my son of the "secret way" in the Famous Five's adventures at Kirrin cottage. Highlight of the year - many thanks, see you again, Issy.

Dear Eddie and Jenny,

A huge THANK YOU from all of us for loaning your magical house for the weekend. We have all had a wonderful time - the kids especially thought it was the best house they've ever been in! Can't wait to come back for the hot tub! Sarah.

Dear Eddie and Jenny,

What a wonderful time we have had, made very special by this beautiful house and fantastic hosts. We have been lucky to find you and meet you. Last night's performance was very much enjoyed and appreciated! What fun! Good luck with the garden projects and we have to come and enjoy the hot tub anon! Huge thank you, Mike. The Dixon family XX

July 2013

Our weekend, which has been fantastic, was centred around a triathlon training camp organised by Toby Garbett, G.B. Nat. Age Group Champion and Olympic + World Champion rower (www.tobygarbett.com). Farmhouse and surrounding area are ideal, and we will return. Thank you Eddie and Jenny for making us welcome and giving us a great musical evening. Margaret + Chris.

Lovely comfortable base for an active weekend of cycling, running and swimming. Enjoyed the sunsets and views. Hope to be back.

Thanks Ed and Jenny, we've had a wonderful weekend. Dad and son (the twins) had a fantastic birthday, and this was the perfect place to come to. Everyone will remember this for years to come. Boules at midnight with a starry sky was fantastic!! Wonderful place for

the whole family to get together and a very memorable happy 60th birthday celebration for Stan and Phil.

Dear Ed and Jenny, 1/5/11

Thanks for a wonderful stay (again!). We've had amazing weather - real icing on the cake! The children had a great time getting lost in your amazing garden. Trip to waterfall yesterday was breathtaking. We even managed a music jam evening on Saturday night.

Lots of love,

Dear Ed and Jenny,

A truly amazing place you have here - we have all had a fantastic time. The kids have loved the house and the follies. We've made the most of al fresco dining on the many terraces. Have enjoyed lots of runs, walks, swims, bike rides and games of dodge ball (+40 - 40). We had the best ever egg hunt around the follies and have all vowed to return v. soon.

Eddie and Jenny,

Thank you for opening your home and your hearts to us. A magical, mystical haven which we've explored and enjoyed together. A real treasure set in a beautiful landscape coupled with your hospitality has made this a Christmas to remember. Cosy evenings around the fire, leisurely meals at the dining table and fun sledging down the snowy banks, we've filled this silent heaven with laughter. A musical evening of entertainment with stories of your lives made us feel not like guests but good friends.

The children have enjoyed the freedom provided by this landscape, your amazing garden and the absence of technology. For the adults, the pleasure's the same. A week to spend quality time together, lazy days with the people we love in a secret paradise here in the Welsh hills.

Thank you, we look forward to visiting again soon.

The Escotts (July 2010)

Thank you from the bottom of our hearts - we all (12 of us) had an amazing time. Your house is magical and we loved sharing your very own paradise with you. We could not have asked for anything more, everything is here that anybody could want. The children, all 8, have had a fantastic holiday, and I hope the memories they have will stay with them forever. We not only had a great time, but also feel we have gained two friends. Already planning next year - maybe two weeks are needed.

Thanks for everything - the Escotts, John, Pat, Sarah, James, Dan, Ben, Jack, Rebecca, Joshua, Charlotte, Harry and Maxwell.
