

# Guest List

Thank you for booking a Rollerdrome Birthday Party. In our effort to make your party the ultimate birthday experience, we kindly request that you fill out this guest list with all the names of your party guests. This guest list will enable us to admit your party and allow us to keep track of who was invited.

**PAYMENT** for the party is not due until the day of the party. Payment can be made in cash, eftpos, barcard or credit card.

**ON THE DAY OF THE PARTY** party guests usually meet out the front of Rollerdrome 10-15 minutes before the session opens. Once the session has opened, the guest list must be handed in and all guests will be admitted in and checked off the list. You will be introduced to your Party Host and escorted to your party table. Remember, your Party Host is there to help you as it is their job to ensure that your party runs smoothly.

**PARENTS OF THE GUESTS** are welcome to stay and watch the fun but please be aware that we only cater for the guests of the party. We have full snack bar facilities which include tea and coffee with seating for the parents in the foyer area as well as overlooking the skating floor. Any parent who would like to join in the fun and skate must pay the admission price and hire charges.

**PLEASE ENSURE** you call Rollerdrome a few days before to confirm numbers and details of your party!
