

THE BRYN MAWR FUND

SAMPLE THANK YOU NOTE

Dear <First Name>,

What a great start to the New Year it is for me to be able to write to you, on behalf of The Bryn Mawr Fund, to thank you so much for your generous gift to the College.

Your support is a personal statement of your loyalty as an alumna and an expression of true interest and commitment to the College. Most importantly, your gift has a direct impact on the lives of today's Bryn Mawr students who work rigorously and passionately to achieve the same level of academic excellence that we received. When you think about it, it comes down to women helping women achieve the best possible training and advantage to achieve success in their professional and personal lives.

Please know we are touched and honored to have your support. Thank you for your generosity.

Best regards,

<Your Name>
