

Out-Of-School Time Programs Behavior Contract

1. You are expected to treat yourself, the other children, and the adults at the Out-Of-School Time Programs with respect.
2. You are to be polite and courteous in your actions and conversations with others (do not use bad language).
3. You are expected to keep yourself safe and to help your friends keep themselves safe by following Out-Of-School Time Program rules (if you or someone else might get hurt, don't do it).
4. You are expected to use your own materials, school materials, and equipment in a safe manner so they are not damaged or lost.
5. You are expected to listen and respond to directions given to you by adults the **first** time.
6. You are expected to use your best behavior on field trips, including on the bus.
7. What happens if your behavior is inappropriate? You may receive a reminder of the rules. If you choose to not listen to the reminder, you may be asked to cool down. An adult will discuss your behavior with you after you cool down. You may owe a consequence for your behavior.
8. If you have a consequence to do, remember that while your behavior is being corrected, the adults still like you as a person.
9. Remember to treat everyone the way **you** like to be treated.
10. If someone hits you, threatens you, teases you, or plays unfairly, tell them how you feel. If they won't listen, ask an adult to help you. Do **not** hit or yell. The adults will help you learn ways to care for yourself in these situations.
11. Remember all of us have bad days. Sometimes something is happening in our lives that makes us sad or mad. If you learn to talk to an adult or friend about the things that are bothering you, then you will feel better and get along at the Out-Of-School Time Program better. You are welcome to share your feelings with the adults at the Out-Of-School Time Program.
12. If you have any questions about how you are expected to behave, please ask an adult.
