

*GREETING CARDS
WHOLESALE CATALOGUE 2012*

Bloom started in 2009 as a not-for-profit organization with a vision to provide quality vocational training and sustainable employment opportunities for women-at-risk in Cambodia. We empower these precious young women through training in hospitality, specialty cake skills and paper crafts. This year we are proud to present our first ever catalogue of handmade greeting cards!

All Bloom cards are handmade and your purchase directly supports the training and employment of women-at-risk with a fair-pay salary, Khmer literacy, English classes, and medical expenses.

From our hands to your hearts!

Thank you!
