

## A goodbye letter!

Staying in Slovenia was the most beautiful time of my life, we had a lot of fun together.

### **MY MEMORIES OF THE JOURNEY TO SLOVENIA:**

Travelling in the mail box was awful. I like travelling, but this was boring. It was hot in there. For about 12 hours I did not know where I was. But then I saw the sunlight.

After that I came to school in Slovenia.

When the teacher brought me in the classroom, I have heard the loud voices from the pupils. After the pupils had settled down, the teacher introduced me to the class. Pupils offered to take me to their home.

The first girl that I visited was Urša Zala. She drew a picture of me. I felt like a model. I also stayed with Jakob, Nika, Valentina and some other children from the other class. Everywhere I was, it was fun.

I had a great time with each of you and thank you for the gifts. I hope that I could come next year again.

Your dear friend

Stella!
