Bobby	Cottonwood	

Katherine	Dothan	<p>Dear Bobby,</p> <p>As I go through this journey called life, I sometimes wonder what I did to deserve such a amazing man to share everything with. There are moments where I feel completely humbled, taken back, and cannot put into words how special I feel. Thank you for a decade of love, laughter, tears, and growth. You and Halle Ann have made my life more full in this short amount of time that some people don't get to experience in a lifetime. I love you and look forward to see where God takes our family next!</p>
Sarah	Cowarts	<p>I just want to share how much I love my amazing husband! He is my rock and my best friend! I couldn't ask for a better man or a better father for our family! Paul, I love you more than words will ever express!</p>
Christina	Auburn	<p>Rodney, I am so blessed to have you as my husband. I was lost in this world six years ago when God brought you to me and the boys. You are the man I dreamed of as alittle girl that would make all my dreams come true. You are a wonderful husband, friend and father. I love being your wife and I love you! Happy Valentine's day honey</p>
Christina	Ozark	<p>My dearest Jay,</p> <p>You give me the chance to make mistakes, you forgive me for those mistakes i have made. I have reassurance in knowing that when I make another (though I do Not do this intentionally) you will be kind in your words gentle in your actions and forgiving as Jesus is. I love you because you love God with all your heart. I have seen the works He has done in you, and daily see the works He is doing through you! Thank you for being a 1st Cor 13: 1-9 kind of husband... Loving you in Christ always!</p>

Heather	Westville	When we meet 14 yrs ago I never thought I could love someone so much. When we got married I was so on cloud nine. Then came our baby girl. I was so scared but very happy. You have always been there for us. I don't know what the future holds but looking forward to growing old with you.
Nicole	DOTHAN	Chris, Thank you baby for being a wonderful father and husband to me and the kids. I want you to know that I know God made you just for me, to be my helpmate in life and to learn and walk together for life. I love you with all my heart and thank God daily for blessing be with you. Love Always, Nicole
Alecia	Clayton	Dear Josh, Our young love was mocked by many and supported by few, but I am thankful God knew what he was doing when he created me especially for you. Eighteen and twenty-one on the day we wed, we said our I do's and promised to be together until the end. He never promised it would always be smiles, but we knew with God as our guide we can overcome all trials. We've shared lots of tears, joy, pure happiness and laughter, and I thank God everyday YOU are my happily ever after!
Nicole	Cowarts	Josh I thank God for you every day you are a blessing and a joy. It is written in John 15:13 that there is not greater love than that which moves you to lay down your life. You have done this over and over, not physically but you have given up so much to love and guide this family. You have taken on such responsibility and placed yourself aside so many times I can never in a lifetime show you how much I love you, but I am thankful God has given me the chance to try.

Amy	Dothan	We have been married for almost 3 years. I'm so proud to be your wife. I know this last year has been really hard since you lost your job. But to see you pray daily and be in God's word makes me even more proud of you. I think this hard time has made you be the man that God has called you to be. Maybe this time of silence has brought you closer to God and I'm glad you have used this time wisely. You have led our family to draw closer to God and I'm so thankful. Thank you for your love for Christ and loving me. I love you.
Robert	Bunn	I married the most wonderful women in the world 10 years ago. This is to say thank you to her for putting up with me this long. I love her with all my heart. And will continue for another 10 years times ten. I love you Stacey. My beautiful queen.
Kathy	Ozark	Hey Valentine!! Just wanted to wish you the GREATEST Valentine's Day ever!! To my husband, my best friend, the best father ever of our three amazing boys, my encourager, my partner in late nite eating binges, my financial planner, my car fixer, my supper cooker-when my day has been just too busy, my ministry helper, my youth bus driver, my hamburger griller (for all those hamburger nites), my sweet note leaver, my hug giver, my tear dryer, and to the most handsome man that married me 35 years ago! You still have my heart. always. Love u. Kathy

Chris	Dothan	Words will never be able to translate the feeling and love I have for my wife. I want my wife, Kim, to know the impact she has had on me and the joy that she brings. She is my best friend and I cherish every moment with her. When I look at her it reminds me God does hear our prayers, as she is an answer to one. Kim you make my day begin and end better just with you in it. I will love you forever and with God first in our lives, our love will never fail.
Kelly	Enterprise	To my FOREVER LOVE, our love story can be a source of encouragement to others seeking their forever love. After we were introduced on a blind date, I was honored to be your first and only girlfriend. Throughout our six month courtship, daily you showered me with unconditional love, while God was healing my heart to trust again. On that Sunday evening before our entire church and family, when you got down on one knee and asked me to be your wife, I knew I found my forever love. Happy Valentine's Day!
Susan	HARTFORD	My baby, I just wanted to let you know I was thinking of you and how much you mean to me. Words will never describe the love and respect I have for you as my husband and a father. God has truly blessed me to have you as my Valentine and I'm so excited to share our love for all time. Always and Forever Your Baby
Kenneth	Dothan Al	You are the best of all the rest. I'm so glad I married you. My best friend and love of my life. God had me wait but it was well worth the wait....I will be here.

Jennifer	Ozark	Dear Merrell my love, I love you so much. God truly blessed me more than I could ever imagine or deserve when He placed you in my life. I still remember when we first meet and you talked to me in that cute little character voice. You are my help mate and best friend. It's the little things you do that mean so much. I love the way you love life and most of all the way you love God. You are the best daddy to our little girl. I love you with all my heart!!! Love, Jennifer
Laura	Newton	Drew: I've been a walking heartache before, but God came into my life and proved he wouldn't allow me to break! He bent me to HIS WILL and then He gave me you! I trust that God stitched us together. What love has tethered, I pray we never undo! Love is not a place to come and go as we please, it's a house we enter in and then commit to never leave. So, lock the door behind us, let's throw away the key! I love you forever and always! Your God-fearing, committed wife, Laura.

		<p>Larry,</p> <p>God. You. Love. Just as "I love you" are three important words in our marriage, God, you, and love, are the three MOST important words in my life in this world. Thank you for knowing that my love for you is only second to my love for our Lord Jesus, and that love is my goal in sharing with you. You bore with me the difficult times, and now you are sharing with me the good times. Thank you for being my "Love". Happy Valentine's Day from your love.</p>
Judy	Dothan	Judy

I love you Joshua.</p>

Through it all, you have, and always will be, my Valentine. Happy Valentine's Day</p>

Donna	Headland, Al	The love of my life had open heart surgery to replace his heart valve in July of last year. He had several strokes during this operation. With a lot of prayer, he has improved every day since the surgery. I am thankful to the Lord for teaching me several more lessons on loving my husband more and being more patience to see what the Lord has for us in our future together. After everything that we have been thru, this has been the most challenging time in our married life. I now call the love of my life "My Miracle Man".
Charissa	Ashford	To my husband Joel, As a little girl without a daddy, I never knew the love and acceptance of a man until you came along. You have shown me what unconditional love is all about. As I worked through a painful past, there were many times I lashed out at you, but still, you loved me. I expected you to run, but you didn't. Thank you for teaching me the love of Jesus. I just wanted you to know that I am eternally grateful and that I love you very much. Your wife, Charissa
Missy	Enterprise	Just want to say how much I love & appreciate you! You insisted I quit work to stay home with kids even when you had to work 2 jobs without complaining. God truly "blessed" me with you! Your love for Him & then your family shows!

Joni	Floralda	In February 2012, our family began battling cancer with our youngest son. At a time of unexpected news and numerous nights in hospital rooms, I never wondered if Justin would be there to lean on. Aside from God's peace and strength, Justin's comfort and encouragement was the next best thing. Despite very little time for just us, we have managed to draw closer to one another. I am thankful for a faithful, godly husband who is willing to work hard for our family. I am thankful God saw fit for our paths to cross and spend a lifetime together!
Juwan	Donalsonville GA	Keith, Our marriage of 27 years has truly been one of the greatest blessings of my life. As a teen, I prayed for God to send me a Godly man, and He did. When I look at you I truly see the reflection of God's Heart. You love me as commanded in Ephesians 5:25, Husbands love your wife as Christ loved the Church and gave Himself for her. You serve our family well by putting yourself last. Thank you for being faithful to our Lord and Savior and to our family. I love you bunches!!!
Patty	Rehobeth	Dear Keith, You are the most caring, loving and supportive man in the world. No matter how hard it has been for the last 20 years with all of the things we have been through as a family (Fibromyalgia, kids, family issues), you greet me everyday with a kiss and the words I Love You. You always make me feel beautiful no matter how bad I feel and it always makes me feel like the woman that you married 20 years ago. You love the Lord and your family with everything you have and it shows. Always yours, Patty

Our first home and firstborn son both happened in the last 2 years. Even with deployments past and future, hardships and joys of new parenting, we have supported each other with God as our strength. I love you with all my heart. Thank you for being a Godly husband, daddy, and my encourager through nursing school. I am blessed!</p> <p>Love Always and Forever, Natalie</p>

Jessica	Dothan	I love my husband because he makes me laugh, lets me put my cold feet on him at night, holds my hand, sends me sweet text messages, is great with children, and watches chick flicks with me. Most of all I love his love for Jesus and his ability to forgive and love me. I can't wait to see what God has for us in the future and the kind of leader my husband will be to our future family.
Judy	Dothan	This is to my son Michael, who was born from a teenage love gone wrong when I was 18. I could of had an abortion I suppose, although I couldn't imagine making that choice! Even then God was a guiding force in my life, and He blessed the harder choice to keep my son and Mike has been a blessing every day since! I am so proud of the father & husband he has become. He is still the joy of my life!!

Tonya	eufaula	<p>When I was 14 I knew I had found my prince and the one I wanted to spend forever with. They say childhood crushes dont make it but they are so wrong. Elizabeth	Dothan	<p>When I was young, I prayed for a man that LOVED the LORD with all of his heart, love me, and our children. I met a man that wanted to marry me knowing I had childhood cancer. Since I was sick, I did not think I could have children and did not know how to do household chores. My sweet husband just grinned and did not say a word when he unwrinkled his crusty blue jeans that had been crammed in the washer with a ton of powder soap. He patiently taught me to do laundry, but even more important he taught me to focus on what the LORD thinks and not to worry about what the world thinks. When we married, the Lord blessed with a husband and with my best friend.</p>
Candace	Ozark	<p>I wanted to write a love note to my wonderful husband! I have the greatest husband. We met at church back in 1997. We went our seperate ways and then ran into each other again in 2007 and got married. He's a wonderful father. He gets up early in the morning and takes his son to school. He looks after our two year old daughter. He is so funny and the kid love him. He not only looks after them he cooks, cleans, he takes care of the yard, he looks after my car. He's amazing. I just wanted tell him how much I appreciate him and that he means a lot to all of us.</p>
Shelly	Dothan	<p>Mark, I started praying for you in my late teens. I prayed that I would know you when you came into my life. That there would be no doubts who I was to spend the rest of my life with. I thank God everyday for you. I am teaching our children now to do the same. I love you, Shelly</p>

We have three beautiful boys, and although we may not always have what we want, we always have everything we need. Thank you for standing by my side and helping out while I am having long hours at work. It means a lot to not have to worry about cooking supper after getting home late. I know we have not been able to have an actual date in a few years, but I am hoping we can very soon. I love you with all my heart, and am so thankful God gave me you for my lifelong partner. I know that as long as we seek God first in everything, we will continue to receive His blessings. Happy Valentine's Day!

I love that he is so passionate about his hobby and wants to teach me all about it. I love his forgiving, caring heart and I love that God gave him to me.

Lauren	Enterprise	Justin, I love you higher than the moon times a thousand leagues under the sea. I love you brighter than driving home at sunset when the sun is shining so bright in your eyes you can barely see the light change colors. I love that you gag when you change Taylor's diaper, but that you do it anyways. I love the way you look at her - it's the same way I look at you. A look that says I would do anything in the world for you. And I would. Anything. Love, love love, love love love – Lauren.
Courtney	Cottonwood	I just want my husband of a year and 3 months how amazing it is being married to him. He has had my heart from the day I met him. We met at the church we were married in and that day I swear I couldn't even see anyone else but him when those doors opened. I told my dad that if I feel he would have to catch me, but I felt like I was actually dragging him down the aisle to get to my groom. Now till this day, he is always so loving to me and I can't wait to see what God has in store for our life. I pray our love only grows stronger through the years.
Danny	Enterprise	Once my prayers were selfish, Meant for only me, But when I prayed for His Love, He set this sinner free, No longer was I empty, His Promises are true, Cause when I prayed for His Love, He filled my heart with you.

Chris	Midland City	<p>Dana,</p> <p>My dearest love I just want to thank you for being the most amazing mother, wife, lover and best friend anyone could ask for. It takes a special God fearing tender hearted woman to have only been in our family such a short time and volunteer to be a donor (kidney) for my mother who at a minimal would have to go back on dialysis and at worst die of kidney failure. You are amazing, we love you!</p> <p>Truly blessed,</p> <p>Chris</p>
William	dothan	<p>when god created my life his plans for me were set, that included you as my soul mate. he spoke that this heart needed another, one who would understand how much my heart needed love so he created your heart to match. he formed it so together we sing the same song, dream the same dream see the same vision. in the eyes of god we please him by showing that example of love, so others see his actions in us. its for this reason alone im happy because you and i love we walk we worship god i love you and i allways will.</p>
Catherine	Skipperville	<p>To my wonderful hubby:</p> <p>I don't tell you this as often as I should, but I appreciate how you have taken Landon in as your own son. Even before we got married, you understood that being with me also meant having Landon tag along as well. Both he and I have been so blessed to have you as a father/husband, and I am so happy to be able to share our little family together. We love you so much!! Hope you have a great day!!</p> <p>Love,</p> <p>Your wifey</p>

Jocsan	Dothan	<p>I've never been so sure that God was in control as now. I remember when we started out with simple gestures and a profound friendship. I was afraid of another relationship. But God said in Joshua 1:9 to be strong and courageous because He would be with me. So I prayed hard. Without telling each other, we both asked for signs. I remember asking for our pink flamingo. Crazy enough, we got them, Darling. Here we are, about to start the adventure of a ministry together and I know that God made us for each other. You're as beautiful inside as out, and I'll love you forever and always. I will never stop thanking God for you, Jessica.</p>

Gwen	Newton	To my husband, the father to our beautiful little girl and my best friend. I am glad that god bless me with you! Happy Valentines Day Love always you wife , the mother to our beautiful little girl and your best friend. Looking forward to our future and I know god has great plans for us. He has stuck us like glue and hasn't let us come apart. I love You forever!
Jessica	Dothan	The truth is, I am writing this note in hopes that we can win the concert tickets. I believe it would help our relationship tremendously and draw us closer to each other and most importantly closer to God. I have asked my husband many times to go, but he does not want to. I have heard that tickets are now sold out so I feel if we won, we would actually get to go. Thanks for considering us!
Jessica	DOTHAN	TO MY WONDERFUL HUSBAND, THANK YOU FOR BEING THE LOVE OF MY LIFE. THANK YOU FOR BEING MY BEST FRIEND, MY COMFORTER WHEN THINGS GO WRONG, THE ONE WHO ENCOURAGES AND BELIEVES IN ME. I LOVE YOU.
Phillip	DOTHAN	TO MY BEAUTIFUL WIFE: THANK YOU FOR BEING MY PARTNER IN LIFE. I FEEL LIKE THE HAPPIEST MANIN THE WORLD WITH YOU BY MY SIDE. I LOVE YOU.

Kimberley	Ozark	<p>Dear Love,</p> <p>I cannot begin to express my love for you, there are no words great enough to describe our love. You changed my life the moment you stepped into it. It was as if my long lost love had finally found his way home to me. What we have only God could have created, as if He made you to be the flame of a candle burning bright in my life of darkness. You have saved me in so many ways, and I promise that I will spend the rest of my life showing you how grateful I am.</p>
Lindsay	Dothan	<p>"Valentine's Day" a day to celebrate your loved one. My husband of 4 months, yes newly wed's, is amazing! We've been together going on 5 years and we've both grown in so many ways. He has one of the biggest hearts, which is one of my favorite qualities about him. I don't think he's even aware the of the tye of witness he is in my life, always willing to do something for someone even if that person has done him wrong, reminds me of the way Jesus treated others. Unselfushly! I think that's a lesson as a christian that we struggle with sometimes, but can really be easy if we let Jesus work through our life's. Chris and I learn from each other, and that's a wonderful thing to have in a relationship, especially a marriage. I'm so thankful for my LIFE partner, and the man that he is. I couldn't ask of a better Valentine :)</p>

Amanda	ENTERPRISE	TO MY DEAR HUSBAND NATHAN, THANK YOU FOR ALWAYS BEING BY MY SIDE AND LIFTING ME UP WHEN I AM DOWN. WHO KNEW THAT IT WOULD TAKE 15 YEARS FOR OUR PATHS TO RE-CROSS AND FOR US TO FINALLY GET IT RIGHT. YOU ARE MY BEST FRIEND AND I THANK GOD THAT YOU ARE AN AMAZING STEP-DAD TO KACIE. I LOVE YOU WITH ALL MY HEART AND SO GLAD THAT GOD LED US BACK TO EACH OTHER.
Debra	Dothan, AL	My Dearest Sweets, Our journey has just begun and with God's abundant love flowing through us it will be the most amazing journey. As we have shared the trials of our past; I now know we both needed those experiences to fully be prepared for God's future for our lives. Falling in love with God's blessing has been the most joyful experience in my life. I promise to always keep God in my heart and life and share it with you, our children and grandchildren. Happy Valentine's Day. I "Live" Love you, Gregory. Thanks for "Living" me. Debra
Andrea	Dothan	You had me from "Hello", a handshake, and a greeting that blew me away! Who knew but Jesus that over 33 yrs later I would still be hearing you tell me how beautiful I am to you. Ages 14 and 17 seem too young, but not to our Matchmaker. There are two things I know: the Love of my Lord and your love for me will endure forever .Thanks for loving me every day with your eyes, your little surprises, and whispering those 8 letters every night just in case it's the last time I get to hear them

Jeff	Dothan	<p>Faith,</p> <p>If I looked up Love at wikipedia, there should be two pictures - one of Jesus and one of you!</p> <p>I love you.</p>
Crystal	Dothan	<p>My husband is my best friend. In May I was diagnosed with Type 2 diabetes. We went home and he helped me find information on how to eat, he cheered me on, and even changed his eating habits so I wouldn't have to do it alone. 40 lbs later and my current A1C says I am no longer diabetic! I couldn't have done it without my best friend. Thank you my love (Barry) you have my heart.</p>
Kimberley	Ozark	<p>Dear Love,</p> <p>I cannot begin to express my love for you, there are no words great enough to describe our love. You changed my life the moment you stepped into it. It was as if my long lost love had finally found his way home to me. What we have only God could have created, as if He made you to be the flame of a candle burning bright in my life of darkness. You have saved me in so many ways, and I promise that I will spend the rest of my life showing you how grateful I am.</p>

Barry	Dothan	<p>Dear Crystal,</p> <p>I'm the luckiest guy in the world. I thank the Lord every day for him sending you to me. You stole my heart and then led me to Christ so now I have the love of my life and partner in God. I would need more than 100 words to go on.</p> <p>Love,</p> <p>Barry</p>

With God's help you continue to push forward turning every new trial into an opportunity to witness for Him. You are truly amazing and my heart's second greatest love!!</p>

		<p>You don't know, do you?</p> <p>That in a crowded place, my eyes will always search for you, my ears will listen for your voice, and my arms reach for your touch.</p> <p>And when I see you, hear you feel you... my heart still skips a beat.</p>
Samantha	Slocomb	Now you know.
Amanda	Louisville	<p>There are no words to explain how you feel when you know you met the person God created to love, honor, and cherish you all the days of your life and to be the father of your children but on August 14th of 2010, I pledged forever to the love that fell straight from the Father's hand. Michael...thru good and bad, I would do it all over again. I look forward to forever....</p>
Jeremy	Headland	<p>Lonely, lost, listless, letdown, lifeless, low-spirited, lugubrious loser was transformed into a happy, hoping, hilarious, head-in-the-clouds, healed, hip, high-energy husband.....when God brought me a wife.</p>

Alan	Wicksburg	<p>Angela,</p> <p>I remember years ago that young couple looking into each others eyes. I remember the Love that I felt for you and the way you made me feel just being around you. I could never have imagined that amazing feeling would not hold a candle to how I feel now. I Love so much more now than I ever thought was possible. I am so blessed that I found the one God made especially for me.</p> <p>Love your AliBali</p>
Chasity	Dothan	<p>To the one I love, you know who you are, I love every minute the good Lord allows me to have with you. I pray each day that we will grow old together and be with one another always and forever.</p>
Renee	Blakely, Georgia	<p>There were times I wished you would leave, but God had another plan. He delivered you from alcohol and recreated you. He put our marriage back together and we adopted two boys into our family. It's certainly not been easy with our youngest being autistic and mentally handicapped. Between his rages and three other children we always found time to sit and talk or steal a quick ride to the trash dump to spend time together. God always blesses us in little ways and you take his blessings and make me feel like the queen of your world. Thank you!</p>

Julie	Enterprise	I want to thank you again for being the kind of husband that I am proud and grateful to have in my life. The children love and respect you for your love, kindness, gentleness, quiet strength, integrity, patience, and understanding, as do I. God blessed me when he put you in my life. Thank you for the last 21 years and for the years ahead. I love you! <3

Tracy	Dothan	<p>Footprints in the sand the poem goes But my footprints were with my eyes closed Thinking I was alone I built a fortress so no vulnerabilities were shown But God knew differently And He gave me the ability to see You on my left and Him on my right What an incredible gift, my sight! See my footprints in the sand were three sets that intertwined Being led by the Father, the Great Divine One set was never made without the other For God gave us each other To live as our footprints had left Together step by step</p>
Jacklyn	Enterprise	<p>I love you more than the sway of weeping willows, more than rice krispie treats and Panera Bread Co., more than the sun and warm weather, I love you more than my flip flops, more than soaking in the tub, I even love you more than having smooth shaved legs, a great massage, and a fresh new haircut. I love you more than the country sky filled with stars, the smell of cleaning supplies, fresh clean sheets, gerber daisies, lounging in the pool, and I even love you more than the beach and every grain of sand surrounding it! I love you big much Tavis!</p>
Amy	slocomb	<p>Hi I want to wish a Happy Valentine's Day to my husband, Tj. During this 1st year of marriage you have shown me true love, acceptance and support. I have never felt so loved. Beverly	Dothan	So I was walking down the hall at Dothan High School when the cutest boy ever walked by. I had seen him many times and he had never spoken to me. So I looked at him and said "hey, I like your shorts". Needless to say 28 years later I am blessed to be married to this same cute boy. Never did I imagine that he would grow into an amazing man of God, father to our three children, deacon in the church, servant to his community..... and best of all only LOVE of my life. I love that Allen Arnold loves ME and shows me every day.
Connie	Dothan	How much do I love You Chris?? My Love is deep and constant, like the ocean waves crashing on the sugary, white sand of our favorite beach. Like the flame of a fire my heart dances when you are near. You are the Chocolate on my strawberry and the whipped cream on my sundae. Respectfully and Lovingly yours, Connie
Robbie	dothan	I love the way that we can sit quietly on the front porch swing without having to say much. It's refreshing to reach a stage where there's comfort in silent moments without having to worry if the other is upset or angry. We still have our moments for words, but have matured in our relationship to where we are comfortable with each other.

Julie	Daleville	<p>If nothing else, I hope you know that I love you with every fiber of my being. I pray that you know your importance, not only to me but to our family, community, church family & to the job you love so much, the US Army. I hope you know and remember that no matter what, I am here for you & I wholeheartedly plan on being a part of this wonderful ride we call life. Ami	Ariton	Robbie, I vowed to love you. For richer, you have blessed me with a son and loved 2 more as your own. For poorer, you taught me to walk by faith, God always provides. In sickness, you were my rock! In health, you remind me to laugh. And until death parts us, you will always be, my one true north!! I love you because my heart tells me too! Always.
Tracy	Midland City	My dearest Brittany the past five years have been the best of my life. Your love for me and The Lord helped lead me to a love I have never had before. It helped lead me to see the love The Lord had for me and be able to love you with the most love that one person could possibly love another. There isn't enough words in the world to say how much you mean to me, so ill just end it with I love you with all my heart and soul. Thanks for helping me see just how much God loves me and just how I should love you

To love you as we love the Lord, unconditionally and completely. I don't want to go through this life without you by my side because that's when we are at our best. You make me laugh, even when I don't want to. You are my dance partner, even when there is no music. We find our own together. That is where I want us to be -- together.</p>
