Honorable Judge Robert Brown

Circuit Court Judge

River City Circuit Court

123 Justice Avenue

River City, TX 75001

Dear Judge Brown,

Subject: Appeal for Case Number 45678901

I hope this letter finds you well. I am writing to formally appeal the decision rendered on June 1, 2024, by the River City Circuit Court in the case of Johnson vs. State of Texas (Case Number: 45678901). I fully respect the court's authority and procedures, but I believe that there are significant legal and factual reasons that warrant a reconsideration of this decision.

The decision to deny my motion for a new trial was based on the conclusion that no new evidence was presented that could significantly alter the outcome of the case. However, I have recently discovered new evidence that was not available during the original trial. This evidence directly impacts the core issues of the case and could potentially change the verdict.

Specifically, the new evidence includes:

- Testimony from a new eyewitness who was previously unavailable, which directly contradicts the prosecution's key witness.
- Newly discovered documents that were not disclosed during the discovery phase, which provide critical information regarding the timeline of events.

In light of these factors, I respectfully request that the court reconsider its decision for the following reasons:

- The new eyewitness testimony provides a credible account that challenges the reliability of the prosecution's witness, thus raising reasonable doubt about my involvement in the alleged crime.
- The newly discovered documents offer material evidence that supports my defense and undermines the prosecution's case.

I am committed to complying with all legal requirements and am prepared to provide any additional documentation or information that may be required. I am also available to discuss my situation further if necessary.

Thank you for considering my appeal. I am hopeful for a favorable response and the opportunity to present my case in a manner that ensures justice is served.

Sincerely,

Mary Johnson
