Dear Mr. Harris,

Subject: Appeal for Financial Assistance

I hope this letter finds you well. I am writing to formally appeal for financial assistance regarding my tuition fees for the upcoming academic year. Given the financial challenges I am currently facing, I believe that your assistance could significantly impact my ability to continue my education at Greenville University.

Due to unforeseen circumstances, including my father's recent medical emergency and subsequent loss of income, my family is experiencing severe financial strain. Despite working part-time and applying for various scholarships, I have been unable to secure sufficient funds to cover my tuition fees and other educational expenses.

I would like to outline the key reasons why this support is crucial for me:

- My father's medical condition has necessitated expensive treatments and care, drastically reducing our family's available financial resources.
- I am a dedicated and hardworking student, maintaining a GPA of 3.8 while balancing my studies and part-time work. Financial assistance will allow me to focus on my academic performance without the constant stress of financial uncertainty.

I am committed to continuing my education and achieving my goal of becoming a social worker to give back to the community. I am confident that with your support, I can successfully complete my studies and make a meaningful contribution to society.

I kindly request your consideration for this appeal and am more than willing to provide any additional information or documentation that may be required. I am also available to discuss my situation further if necessary.

Thank you for considering my appeal. I am hopeful for a favorable response and greatly appreciate any assistance you can provide.

Sincerely,

Lisa Anderson
