Professional Summary

Experienced Registered Nurse with over 5 years of expertise in critical care and cardiology. Skilled in providing compassionate, patient-centric care and implementing evidence-based nursing practices to improve patient outcomes. Committed to enhancing team efficiency and patient education in fast-paced settings.

Professional Experience

Registered Nurse – ICU

Heartland Health System, Metro City, USA

March 2018 - Present

- Deliver high-quality care to patients in a 30-bed intensive care unit, managing complex medication schedules, and monitoring life-support equipment.
- Work collaboratively with interdisciplinary teams, including doctors, therapists, and support staff, to formulate and execute comprehensive care plans.
- Educate patients and their families on disease processes, medical-surgical procedures, and proper care techniques, ensuring effective discharge planning.

Registered Nurse – Cardiology Department

Regional Hospital, Smallville, USA

June 2015 - February 2018

- Specialized in the care for heart disease patients, including post-operative recovery and chronic condition management.
- Performed routine patient evaluations and contributed to the development of treatment plans based on observed symptoms.
- Led a department initiative to improve patient education regarding lifestyle adjustments for heart health, reducing readmission rates by 15%.

Education

Bachelor of Science in Nursing

University of Healthcare Excellence, Caretown, USA

September 2011 - May 2015

- Graduated Magna Cum Laude
- President, Student Nurses Association (2014-2015)
