Professional Summary

Registered Nurse with over 8 years of clinical experience in acute care and medical-surgical settings. Skilled in providing high-quality clinical care with a focus on surgical preparation and recovery. Adept at managing critical care situations and ensuring patient safety and comfort.

Clinical Experience

Registered Nurse, Medical-Surgical Unit

St. Mary's Health Center, Big City, USA

August 2015 - Present

- Provide comprehensive nursing care to patients in a 150-bed unit handling postoperative recovery and acute medical conditions.
- Perform assessments, administer medications, and monitor post-surgical recovery, managing an average of 10-12 patients per shift.
- Collaborate with surgeons, anesthesiologists, and other healthcare professionals to optimize patient outcomes.
- Educate patients and families on post-surgical care and health maintenance, achieving high levels of patient satisfaction.

Registered Nurse, Acute Care Department

Healthcare Hospital, Smalltown, USA

May 2012 - July 2015

- Assessed patient health problems and needs, developed and implemented nursing care plans, and maintained medical records.
- Administered nursing care to ill, injured, convalescent, or disabled patients.
- Advised patients on health maintenance and disease prevention or provide case management.
