

## **Volunteer Physician Job Description**

OUR MISSION: To convey the love of Jesus Christ by improving quality of life for those who are economically disadvantaged and without health insurance in Canyon County by providing free medical services and medication.

SUPERVISOR: Medical Director

### REQUIREMENTS:

- Graduate of an accredited school of medicine
- Current Idaho physician license in good standing, and DEA certificate if available
- Board-certified or eligible in family practice, emergency medicine, or internal medicine

RESPONSIBILITIES: All medical services will be provided in accordance with the Canyon County Community Clinic's *Quality Assurance Program* standards. The physician has the obligation to report any untoward events that restrict or limit his/her ability to practice medicine, or alter his/her "good standing" status at the hospital or clinic in which s/he practices.

1. Perform professional medical services in the examination, diagnosis, care and treatment of physically ill patients, within the limits of experience and professional training. Provide appropriate patient instruction and/or consultation with family or significant other, as needed.
2. Record examination, diagnosis and treatment notes, meeting record documentation requirements. Provide clearly written orders, and be available to nursing staff for direction, support and clarification of the medical plan of care.
3. For those patients whose medical needs are beyond our scope of services, make patient referrals to appropriate specialty services, such as diagnostic services, social services and consultative services, as arranged in protocols; consult with Clinic Administrator regarding available specialty services.
4. Determine patient medication needs, and order from sample stock, pharmaceutical companies (CAPMed Program) and/or Wal-Mart Pharmacy, prescribing generic drugs whenever therapeutically appropriate.
5. Attend *Medical Staff Meetings* whenever possible.
