A primary focus of this position is to increase sales volume and profitability of CFS by offering design services to CFS clients as well as being a key resource to the A&D community. CFS Interiors & Flooring promotes and financially supports candidates who want to stay connected within the design industry through CEU's, industry organizations and seminars.

### **Minimum Requirements**

- Bachelor's degree from an accredited interior design program
- 5+ years of industry experience

### **Design Responsibilities**

- Lead the interior design department at CFS
- Assist CFS sales team with design of projects, primarily remodel projects
- Knowledge in materials and furnishing requirements specific to healthcare and senior living markets
- Establish a strong working relationship with local designers and end users to build trust in the input and guidance for commercial flooring solutions
- Serve as a point person for developing strong vendor/mill rep relationships
- Generate specification of products produced by CFS Interiors and Flooring and any other products and services designated by CFS Interiors & Flooring management
- Assist CFS Interiors & Flooring's sales team with A&D contact is required to secure a project specification

### **Additional Responsibilities**

- Develop working knowledge of potential new business/projects via lead sharing, lead service and frequent communication with design clients, end users, and vendor partner representatives
- Create standards for and maintain a functional commercial flooring showroom in the CFS Interiors & Flooring's library/showroom
- Become certified to deliver CEU courses to designers and facility managers
- Encourage A&D to utilize CFS Interiors & Flooring complete flooring library as needed
- Attend local and regional industry tradeshow and conferences
- Join appropriate interior design/facility management trade groups and actively participate
- Time in the field generating business for CFS Interiors & Flooring
- Help coordinate customer events including golf events, sport entertainment suites, and other functions
