I will always strive to meet our customer's needs by using AIDET:

Acknowledge the patient my name. Make eye contact. Ask: "Is there anything I can do for you?"

Introduce yourself, your skill set, your professional certification and experience.

Duration – Give an accurate time expectation for tests, physician arrival and overall treatment.

Explanation – Explain step by step what will happen, answer questions and leave a phone number where you can be reached.

Thank the patient for choosing your hospital and for their communication and cooperation. Thank the family for assistance and being there to support the patient.

I will recognize and respect the increasing diversity of our community. I will treat colleagues and those I serve who differ by gender, race, religion, culture, national origin, mental and physical abilities and sexual orientation with dignity, respect and compassion.

I will recognize that every member of the EMC team makes important contributions.

I will adhere to department and hospital policies such as attendance, smoking, dress code, use of phones and other electronic devices.

I will respect and protect the privacy of our patients, by discussing patient issues only with those who need to know, by refraining from talking in public areas, and by making sure that all patient data remains secured within the facility.

I will refrain from criticizing EMC in the workplace and in the community and realize the many benefits of managing up.

I will continue to learn and seek new knowledge to enhance my skills and ability to serve.

I will strive to maintain personal well-being and balance of work and personal life.

I will have a sense of ownership by:

taking any concern seriously and seek resolution or understanding – asking for help if the concern is beyond my ability or scope of authority.

approaching those who appear to need help or be lost and assist/direct them appropriately.

cleaning up litter, debris and spills promptly or notifying the best resource to keep the hospital environment clean and safe.

remain conscious of the enormous cost of health care and optimize resources while delivering exemplary service.

I will wear my ID badge where it can be easily seen.
