

Construction Welder

Job Description

COMPANY PROFILE

Stubbe's is a family owned and operated company that has been in business for over 30 years. It started as a small precast company servicing the agricultural market, growing into a diversified company that provides a wide range of concrete related products and services. Stubbe's is known for its forward thinking solutions, quality and customer service and offers significant experience and expertise in providing optimal solutions for commercial, industrial, residential and agricultural structures.

We are currently looking for future Construction Welders to meet the needs of our installation team as we expand our capabilities and pursue new opportunities.

JOB SUMMARY

The Construction Welder works with a team of individuals involved in the installation of precast concrete. Overnight stays are occasionally involved depending on the job location and requirements. Travel expenses paid by employer.

QUALIFICATIONS

- Canadian Welding Bureau Certification or willing to become certified
- Techniques: Shielded metal arc welding (SMAW)
- Positions: Flat, Horizontal Vertical, Overhead
- Construction or field welding experience is required
- Must have minimum 3-5 years welding experience
- Ability to read tape measure (metric/imperial) and drawings
- Ability to lift up to 50 lbs
- Safety conscious
- Able to work well with a team
- Attention to detail and accuracy
- Reliable and highly motivated

WHAT WE OFFER

Stubbe's Precast is a dynamic precast manufacturer that has experienced significant growth in the last decade by creating new markets for precast in southern Ontario. Candidates have the opportunity to be part of our growth while gaining invaluable experience.

We offer a competitive salary, benefits after 3 months and significant growth opportunities for the right candidates. If you enjoy pushing the limits of your knowledge and developing effective solutions within challenging, real world design constraints, Stubbe's Precast will be of interest to you.

HOW TO APPLY

To learn more and determine whether Stubbe's Precast is a good fit for you, please visit www.stubbes.org. To apply, **please send a unique one page cover letter describing why you are an ideal candidate for the position and a brief list of your career goals with your resume to careers@stubbes.org.**
