

Arizona Attorney General Office Forensic Accounting Intern

Intern Description:

The ideal candidate is someone interested in pursuing an accounting career and the internship opportunity will provide the student valuable experience in the area of forensic accounting. The individual should have a basic understanding of debits and credits, chart of accounts, account types and be computer literate. The intern needs to be detail oriented and able to organize work.

General Duties:

The intern will help with accounting work related to cases and needs to understand the importance of keeping data pertaining to the cases confidential. The intern may assist with tracking, identifying and summarizing cash transactions as they pertain to a case.

Hours: Flexible

Pay: Unpaid
